Partnering Baseball in SA
Developing pathways together

19 December 2018

Mr Michael Phillips
SABSA

Dear Michael,

We want to take this opportunity to extend our sincere thank you to you and your scoring team for your support in hosting our recent Japanese Friendship Series.

The tournament was a great success, in no small part thanks to the scorers for once again ensuring each game ran smoothly, even with the unusually bad November Adelaide weather.

Thanks to their fantastic work, we were able to provide great memories of South Australia to over 100 Japanese university students and their coaching staff and what we hope will be the beginning of a long-term international partnership.

Thank you, again.

Kind Regards,
